Armor Closes \$500,000 Private Placement

Vancouver, BC, October 7, 2015 – Armor Minerals Inc. (TSX-V: A) (“Armor” or “the Company”) announces that further to its press release of September 9, 2015 it has closed the non-brokered private placement of 5,000,000 units at a price of \$0.10 per unit for gross proceeds of \$500,000 (the “Private Placement”). Each unit consists of one common share and one common share purchase warrant. Each common share purchase warrant is exercisable into one common share of the Company at a price of \$0.15 until October 7, 2020. The Private Placement was equally subscribed, directly or indirectly, by Robert Pirooz and Richard Warke, directors of the Company. There was no bonus, finder’s fee or commission paid in connection with the Private Placement.

Proceeds from the Private Placement are expected to be used towards the joint venture with Jack’s Fork Exploration and for general working capital purposes.

As prescribed by the TSX Venture Exchange and applicable securities laws, the securities (and all underlying securities) issued in the private placement are subject to a four month hold period expiring on February 8, 2016.

For further information please contact the Company via email at info@armorminerals.com.

About Armor Minerals Inc.

Armor Minerals Inc. is a Canadian company listed on the TSX Venture Exchange (“TSXV”) under the symbol A.

Neither TSXV nor its Regulation Services Provider (as that term is defined in the policies of the TSXV) accepts responsibility for the adequacy or accuracy of this release.

The forward-looking statements contained in this news release are made as of the date of this release. Except as required by applicable law, Armor disclaims any intention and assumes no obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise. Forward-looking information reflects the current expectations or belief of the Company based on information currently available and such information is subject to a number of assumptions, risks and uncertainties, including risks related to exploration, uncertainties related to financings; the uncertainties of interpreting exploration results and the other risks associated with being a mineral exploration company. As a result, investors are cautioned not to place undue reliance on these forward-looking statements.
