### 1. NATURE OF OPERATIONS

Armor Minerals Inc. (the "Company" or "Armor") is incorporated in British Columbia, Canada. The Company's head office is located at Suite 555 – 999 Canada Place, Vancouver, British Columbia, V6C 3E1. The condensed consolidated interim financial statements as at December 31, 2021 are comprised of Armor and its wholly owned subsidiary, Armor Minerals (US) Inc. ("Armor US") organized under the laws of Virginia. The Company is publicly traded with shares listed on the TSX Venture Exchange under the symbol "A".

The Company is engaged in the acquisition and exploration of mineral property interests. The business of mining and the exploration for minerals involves a high degree of risk and there can be no assurance that such activities will result in profitable mining operations.

At December 31, 2021, the Company had cash and cash equivalents of \$2,933,290, working capital of \$2,906,805, loss for the nine months ended December 31, 2021 of \$76,051, and a deficit of \$31,660,775. Based on anticipated cash flows, the Company is expected to have sufficient resources to meet its committed expenditures for the next twelve months.

On March 11, 2020, the novel coronavirus outbreak ("COVID-19") was declared a pandemic by the World Health Organization. The situation has been and continues to be dynamic and the ultimate duration and magnitude of the impact on the economy and the Company's business are not known at this time. The Company's ability to obtain equity financing could be impacted, as well as the Company's ability to explore and conduct business.

### 2. BASIS OF PRESENTATION

(a) Statement of compliance

These condensed consolidated interim financial statements have been prepared in accordance with International Financial Reporting Standards ("IFRS") as issued by the International Accounting Standards Board ("IASB") applicable to the preparation of interim financial statements, including IAS 34, *Interim Financial Reporting* ("IAS 34"). Accordingly, they do not include all of the information and notes to the consolidated financial statements required by IFRS for complete financial statements and should be read in conjunction with the Company's most recent audited consolidated financial statements for the year ended March 31, 2021.

These unaudited condensed consolidated interim financial statements follow the same accounting policies and methods of application used in the Company's audited consolidated financial statements as at and for the year ended March 31, 2021. The Board of Directors authorized these financial statements for issuance on February 25, 2022.

(b) Basis of presentation

These condensed consolidated interim financial statements have been prepared on a historical cost basis except for financial instruments classified as fair value through profit and loss which are stated at their fair value. In addition, these consolidated financial statements have been prepared using the accrual basis of accounting, except for cash flow information. The consolidated financial statements are presented in Canadian dollars, which is the Company's presentation currency.

(c) Use of estimates and judgements

In preparing these condensed interim financial statements, management has made judgments and estimates that affect the application of the Company's accounting policies and the reported amounts of assets, liabilities, income and expense. Actual amounts incurred by the Company may differ from these values.

The significant judgments made by management in applying the Company's accounting policies and the key sources of estimation uncertainty were the same as those that applied to the consolidated financial statements as at and for the year ended March 31, 2021.

(d) Changes in accounting standards

Certain new standards, interpretations and amendments to existing standards have been issued by the IASB or IFRS Interpretations Committee. However, these updates either are not applicable to the Company or are not material to the condensed consolidated interim financial statements.

## 3. LEASES

The Company shares office space with other companies related to it by virtue of certain directors and management in common (Note 7).

During three and nine months ended December 31, 2021, the Company recognized \$2,302 and \$3,644 respectively of general office expenses for the two leased premises that do not meet the definition of a lease (Note 9). The Company is jointly liable for rent payments and uses the assets jointly.

## 4. ACCOUNTS PAYABLE AND ACCRUED LIABILITIES

	December 31,	March 31,		
	2021	2021		
Accounts payables	\$ 1,188	\$ 360		
Accrued liabilities	9,264	12,000		
	\$ 10,452	\$ 12,360		

### 5. DEFERRED LIABILITY

Deferred liability represents the unamortized balance of an amount received from a company previously related through certain common directors and management with respect to the provisions of a management services agreement governing certain shared office space (Note 7). The amount is being amortized to general office expenses over the remaining term of the leases.

The following is a summary of changes in deferred liability:

		March 31, 2021		
Balance, start of the period	\$	10,766	\$	13,458
Contribution from former related party		_		9,420
Amortization of deferred liability		(10,766)		(12,112)

The weighted average exercise price of the warrants outstanding at March 31, 2021 is \$0.40.

### 7. RELATED PARTY TRANSACTIONS

#### Compensation of key management personnel

Key management includes the Company's directors and certain senior management. For the three and nine months ended December 31, 2021, the Company paid salaries and benefits of \$4,881 and \$17,800, respectively to key management personnel (December 31, 2020 – \$5,099 and \$14,297, respectively).

#### Related party transactions

On March 1, 2015, the Company entered into an arrangement to share office space, equipment, personnel, consultants and various administrative services with other companies related by virtue of certain directors and management in common. These services have been provided through a management company equally owned by each company party to the arrangement. Costs incurred by the management company are allocated and funded by the shareholders of the management company based on time incurred and use of services. If the Company's participation in the arrangement is terminated, the Company will be obligated to pay its share of the rent payments for the remaining term of the office space rental agreement. The Company's obligation for future rental payments on December 31, 2021 was approximately \$48,000, determined based on the Company's average share of rent paid in the immediately preceding 12 months.

The Company was charged for the following with respect to these arrangements in the three and nine months ended December 31, 2021 and 2020:

	Thre	ee months ended December 31,			Nin	e months end	ded December 31,		
		2021		2020		2021		2020	
Salaries and benefits	\$	12,034	\$	12,093	\$	42,663	\$	40,535

Investor relations		2		_		2		149	
	\$	17,232	\$	13,733	\$	57,754	\$	63,756	

At December 31, 2021 the amount due to related party of \$18,862 (March 31, 2021 – amount included in prepaids of \$12,013) is related to these arrangements. The amount due from related party at December 31, 2021 of \$5,026 (March 31, 2021 – \$5,026) relates to the Company's share of jointly owned assets (primarily security deposits, leasehold improvements, and furniture and equipment) held by the management company.

### 8. FINANCIAL INSTRUMENTS AND CAPITAL MANAGEMENT

The Company's financial instruments are classified into the following categories of financial assets and liabilities (shown at carrying value):

		December 31, 2021	March 31, 2021
Financial assets			
Loans and receivables at amortized cost			
Cash and cash equivalents	\$	2,933,290	\$ 2,312,778
Amounts receivable		1,372	736

Total financial assets	\$	2,939,688	\$ 2,318,540
Financial liabilities			
Financial liabilities at amortized cost			
Accounts payable and accrued liabilities	\$	10,452	\$ 12,360
Due to related party	·	18,862	· —
Deferred liability		- -	10,766
Total financial liabilities	\$	29,314	\$ 23,126

The fair values of the Company's financial instruments in the table above approximate their carrying values.

#### Financial risk management

The Company's financial instruments are exposed to certain financial risks. The risk exposures and the impact on the Company's financial instruments are summarized below.

#### Credit risk

Credit risk is the risk of an unexpected loss if a customer or third party to a financial instrument fails to meet its contractual obligations. Credit risk arises for the Company from cash held with banks and financial institutions, as well as credit exposure on outstanding amounts receivable. The Company manages its exposure to credit risk by holding its cash through Canadian chartered banks. The maximum exposure to credit risk is equal to the carrying value of the financial assets.

#### Liquidity risk

Liquidity risk arises through excess of financial obligations over available financial assets due at any point in time. The Company's objective in managing liquidity risk is to maintain sufficient readily available reserves in order to meet its liquidity requirements at any point in time.

#### Capital management

The Company's objectives when managing capital are to safeguard the Company's ability to continue as a going concern in order to maintain a flexible capital structure which optimizes the costs of capital at an acceptable risk. In the management of capital, the Company includes the components of shareholders' equity.

The Company manages the capital structure and makes adjustments to it in light of changes in economic conditions and the risk characteristics of the underlying assets. To maintain or adjust the capital structure, the Company may attempt to issue new shares, acquire or dispose of assets or obtain debt financing. In order to facilitate the management of its capital requirements, the Company prepares annual expenditure budgets that are updated as necessary depending on various factors, including successful capital deployment and general industry conditions. In order to maximize ongoing development efforts, the Company does not pay out dividends.

The Company's investment policy is to invest its cash in highly liquid short-term interest-bearing investments with maturities 90 days or less from the original date of acquisition, selected with regards to the expected timing of expenditures from continuing operations.

## 9. COMMITMENTS

At December 31, 2021, based on the Company's share of rent, the Company is committed to payments for office leased premises through 2025. Payments by fiscal year are:

2022	\$ 3,200
2023	\$ 12,000
2024	\$ 11,000
2025	\$ 6,400
