Armor Announces Appointment of Linda Chang as CFO

Vancouver, BC, October 1, 2015 – Armor Minerals Inc. (TSX-V: A) (“Armor” or the “Company”) announces the appointment of Linda Chang as Chief Financial Officer (CFO) of the Company effective immediately.

Ms. Chang is a Chartered Professional Accountant (CPA, CA) with a Bachelor of Commerce degree from the University of Manitoba. She has been with the Augusta Group of Companies for the past 5 years as Controller for the various public companies in the group including AZ Mining Inc., Catalyst Copper Corp. and Plata Latina Minerals Corporation (until May 2015). Prior to this Ms. Chang was with Walsh King LLP for a year managing client audits for various private companies, and over four years with Ernst & Young LLP involved in audits of various public and private companies in the manufacturing, agricultural and retail sectors.

The Company thanks Margaret Brodie for her services to the Company and wishes her success in her future endeavours.

For further information please contact the Company via email at info@armorminerals.com.

About Armor Minerals Inc.

Armor Minerals Inc. is a Canadian company listed on the TSXV under the symbol A.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.

The forward-looking statements contained in this news release are made as of the date of this release. Except as required by applicable law, Armor disclaims any intention and assumes no obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise. Forward-looking information reflects the current expectations or belief of the Company based on information currently available and such information is subject to a number of assumptions, risks and uncertainties, including risks related to exploration, uncertainties related to financings; the uncertainties of interpreting exploration results and the other risks associated with being a mineral exploration company.
